

DIE STIMMGABEL

the Foreman's Fork

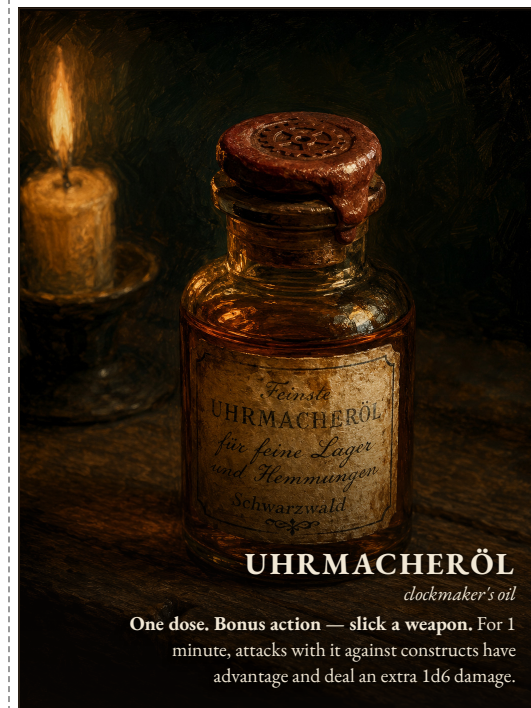

Action — **strike the fork.** One modron of tridrone rank or below within 60 feet that can hear it treats you as its superior: it obeys your directive on its next turn.

THE UNPUNCTUAL WATCH

it keeps its own time

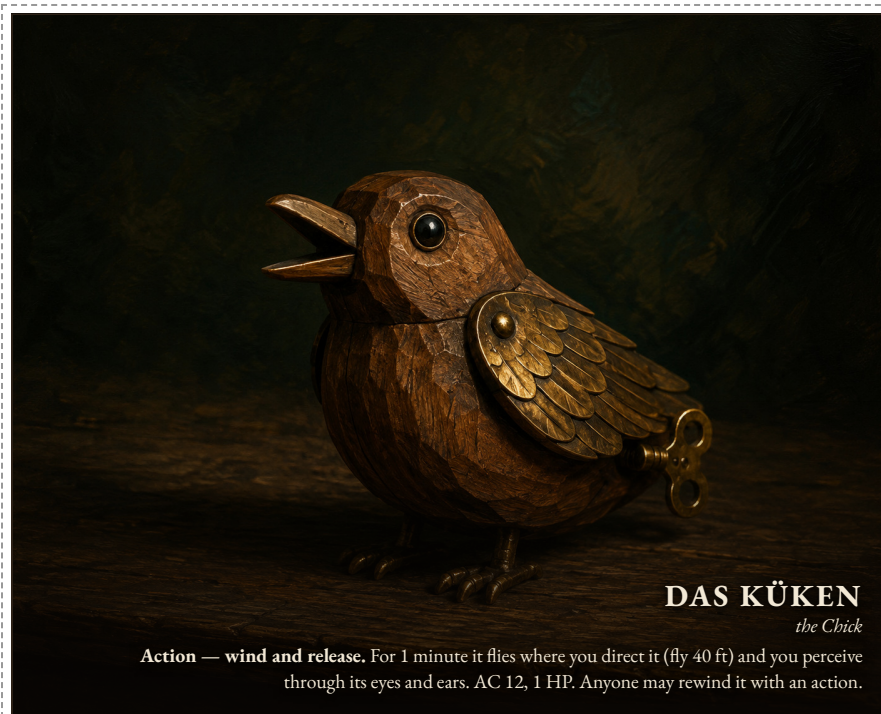

Once, when you or an ally within 30 feet makes a d20 roll, click the crown: the last second unhappens — the roll is made again, and the new result stands. Stops until wound during a long rest.

UHRMACHERÖL

clockmaker's oil

One dose. Bonus action — **lick a weapon.** For 1 minute, attacks with it against constructs have advantage and deal an extra 1d6 damage.

DAS KÜKEN

the Chick

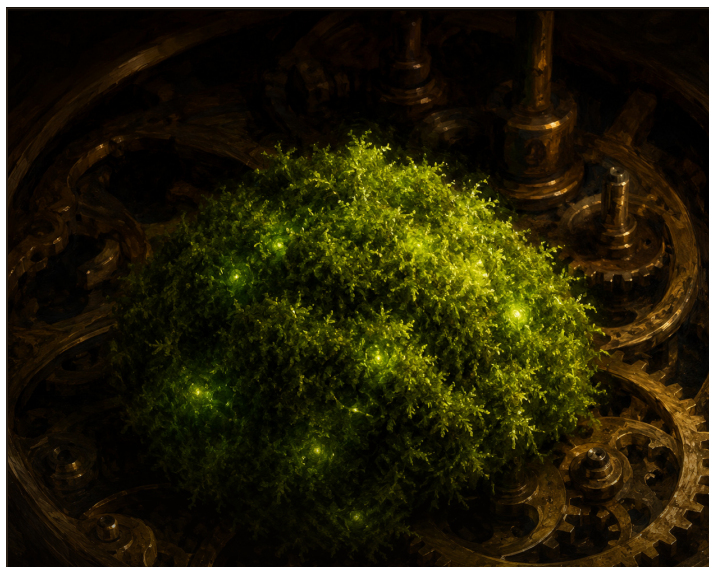

Action — **wind and release.** For 1 minute it flies where you direct it (fly 40 ft) and you perceive through its eyes and ears. AC 12, 1 HP. Anyone may rewind it with an action.

DIE SPRUNGFEDER

the Mainspring Step

Bonus action — **release the spring.** This turn your jump distance is tripled and your speed increases by 10 feet. Then spent; anyone may rewind it with an action.

DER MOOSBUND
the Moss-Knot

Once, when you would drop to 0 hit points, you drop to 1 instead. The moss browns and crumbles to nothing.

DER MINUTENZEIGER
the Minute Hand

+1 dagger. On a hit, the target loses its next half-second: it can't take reactions until the start of its next turn.

DAS FEINWERKZEUG
masterwork clockmaker's tools

A rosewood case of silver-chased precision tools, each in its fitted velvet bed, none ever misplaced. 50 gp.

KIRSCHWASSER, 1741
cherry brandy, last of a good year

A wax-sealed bottle laid down the year before everything changed. 30 gp — more to someone who knows what happened after.

DIE SCHNITZFIGUREN
carved linden-wood figures

A box of small carved villagers in old-fashioned dress — a beaming heavyset man, a woman at a school desk, a boy with an axe. 20 gp, though someone in Freudenfeld might pay in tears instead.

DIE DOPPELPFEIFE

the cuckoo's voice

Two silver-throated pipes drawn from deep in the wreck, tuned a breath apart — the Call, twice, waiting for air. An instrument maker would clear a shelf for them. **150 gp.**

DIE MESSINGFEDERN

a fan of brass wing-feathers

Hinged flight plates of otherworldly brass, each one identical to the last, none of them tarnished — nor ever will be. **100 gp.**
