

Gear rotates 90° CW at Initiative 20 (lair) – the platform, doors, rod, and perch do NOT rotate
 Emerge/retract: DEX save in the impact path or knocked down; doors slam 180° through rows A-B, tiles 2-9
 Row A catwalk = half squares: squeezing (1/2 speed, disadv. on attacks, attacks against them have adv.)
 Aperture blocked while the cuckoo is out – ride it in: DC 12 STR (Athletics) as it retracts
