

CUCKOO'S LANDING

Battlefield Grid — 25 ft radius gear · 5 ft squares · all partial edge squares included

Entire gear rotates 90° clockwise at Initiative 20

Cone direction is fixed — rotation moves players into and out of the blast zone

- Gear floor (5 ft square)
- Rod impact path (DEX save on emerge/retract)
- Rod (on grid line, indestructible)
- Cuckoo (10×10 ft, Large, restrained)
- Bellows cone (DC 14 CON, on-rounds)
- Planar aperture (blocked while cuckoo out)
